The 8th International Conference on Cyber Security and Information Engineering (ICCSIE2023)

Invitation Letter

Organized by
Beijing University of Technology

To whom it may concern,

The 8th International Conference on Cyber Security and Information Engineering (ICCSIE2023) is an academic conference that brings together researchers and scientists from cyber security and information technology, researchers from various application areas to discuss problems and solutions in the area, to identify new issues, and to shape future directions for research. It is organized by Beijing University of Technology and will be held in Malaysia during September 22-24, 2023.

The Conference provides opportunities for the delegates to exchange new ideas and application experiences, to establish business or research relations and to find global partners for future collaboration.

Herewith, on behalf of Organization Committee of ICCSIE2023, we are pleased to invite:

Name:
Affiliation:

to attend the conference and give an oral presentation.

We look forward to seeing you on the conference!

Prof. Jingsha He
General Chair of ICCSIE2023
